Send Gifts of Hope and New Life

The global mission of AGI is to send authentic, life-giving gifts to a needy world. Gifts that build a partnership with oppressed people in crisis and that protect and preserve the earth's endangered environment. To nourish and sustain a more equitable and peaceful global community.

Hunger in America?
One sack of groceries
for families who live on
the brink of poverty is
never enough.

Narrow the gap between the rich and the poor by providing small, low-interest loans to hard-working laborers.

Help rural indigenous communities build water systems.

Provide healthcare, education and love for abandoned children in state-run orphanages.

Relieve the suffering of young cancer patients. Provide medicines, artificial limbs, counseling and family support

Respond with sensitivity and compassion to people in crisis whenever and wherever disaster strikes our global neighbors.

Instead of shopping for presents friends and family may not really need or even want, come to the Alternative Gifts Market where you can purchase life-giving gifts of hope and new life - gifts that change the world!
