

## **Denomination Support**

*Rolling Hills is a multi-denomination church  
chartered in 1984 by the:*

[United Methodist Church \(UMC\)](#)  
[Presbyterian Church \(PCUSA\)](#)  
[United Church of Christ \(UCC\)](#)  
[Christian Church/Disciples of Christ \(CCDC\)](#)

RHCC supports the four denominations with which we are chartered with a budgeted amount split equally.

(For 2010 this total is \$4000.)

Each denomination spends the monies received from member churches in a very similar manner. As an example, the Methodist Church collects "Apportionments" which are generally distributed within the following framework.

### [United Methodist Apportionment](#)

Through this financial support Rolling Hills Community Church joins hands and hearts with every other United Methodist Church in the world supporting over 1,600 missionaries, 65 hospitals and health-care facilities, 225 retirement and long-term care facilities, 100 United Methodist Colleges and Universities and 13 schools of Theology. Additionally over 250 million dollars will be spent in disaster relief around the world for persons who are touched by natural disasters. Our apportionments are a way for United Methodist Churches to do together what they could not do alone.
