

Overseas Outreach

For the last five years, members of RHCC have answered the call to help with gifts of money , medical supplies, and school and office supplies for needy children and adults in Peru, Kenya, India, Russia, and Palestine.

RHCC members have personally delivered these gifts and know firsthand that they were received by the intended recipients. All of these people have witnessed the fact that God cares for them. One laborer at a hospital in Kenya said that “no one had ever given him a gift before.”

Most recently, RHCC gifts of school and office supplies were delivered to children and Bible college students in Palestine. In addition, \$400 in donations was also, divided for the Bethlehem Bible College, the Shepherd Society, the Hope Secondary School, and the Mar Elias Educational Institute in the West Bank.

Christ’ call for us to help the poor, release the captives, free the oppressed and heal the sick is our basic charge as Christians. The Palestinians are living under extreme oppression and need our prayers.
